A NOTE ON GEAR OIL

All equipment on this price list that has a gear box will require SAE 90W gear oil. It is the customer's responsibility to check the gear box upon purchase to ensure correct level of gear oil. Most gear boxes have a 1/4" pipe plug on the side to indicate the fill level. Otherwise, refer to product literature.

CREDIT CARD PURCHASES

Credit card purchases of wholesale-priced equipment will include a 3% surcharge to offset credit card processing fees. Credit card purchases of equipment priced at the retail level will include a 3% surcharge on invoices totaling in excess of \$1,000.
